Students can start their course on any Monday during the year. All classes take place on weekdays, (Monday to Friday) between 09.00 and 17.15. Beginners (A1) are accepted by special arrangement (please contact the school) and Advanced English classes (C1 - C2) are available. SIS is also a successful teacher training centre. There is an adult social programme all year. Some afternoon activities and evening activities are organised for you and are free of charge. Afternoon activities include scenic walks on the Jurassic Coast, tennis, lawn bowls and cream teas in the garden. In the evening, students can enjoy pub nights with other Adult students, movie nights and wine and cheese evenings hosted at the school. There are half day excursions on Thursdays and a full day excursion on Saturdays, visiting places of cultural and historical interest. Students have the opportunity to explore this beautiful part of England with their fellow students. The costs of these excursions are between £5 and £30. For an extra treat, we can also organise visits to the theatre, traditional afternoon tea at one of Sidmouth's seafront hotels or dinner at a quintessential English country pub. Please ask for further details in the main office.

Please note: some activities depend on the weather and/or the number of students. During the low season, the social programme and excursions maybe reduced depending on student numbers. Staff are always available to advise students on interesting things to see and do in the local area.
